Thinking

WALT: Camp

Reflection

Week 8: Camp week Wednesday to Friday. Monday and Tuesday revisiting Rams and sorting out cabins activity groups. Finishing camp brochure most of a very high standard. Awesome camp fine weather and most students took the opportunities that were given.

Week 9

Number of students away however main focus on written language. Students also revisited basic fact assessment and the Star test. Awesome results by most students. Need to encourage parents to help students at home. Great clay work heads very successful and students following most ideas.
